2005 / 2006 Schedules for

Large Cardboard Collection, Recycling Collection, Summer and Winter Garbage Collection, and Holidays

Is this Flyer for me?

If the Town does **not** pick up your garbage or recyclables, then the schedules for summer and for large cardboard don't apply to you. You might still find the schedules listed on the back flap helpful, and you can learn when the Town Hall or Transfer Station will be closed for holidays.

Summer Schedule

- Starting the week of **July 11, 2005**, your garbage (trash) will be picked up **twice a week for the summer**, either on Mondays and Thursdays, or on Tuesdays and Fridays. Check your neighborhood's schedule on the next page.
- **Garbage collection returns to once a week the week of September 5, 2005.** Resume putting your garbage out on the same night as your recycling, but don't forget Labor Day delays both collections one day that week. **Save this flyer until June 2006. You will not be re-notified in September when the schedule changes back.**

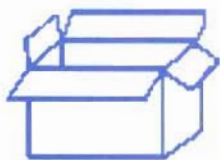

Don't Forget

There is **no change in the recycling schedule** for summer – it is collected one day a week all year 'round. Throughout this flyer, including on the calendar, we talk about the **day** of your collections. Always remember to put your garbage and recycling out **the night before** your collection day.

Large Cardboard Collection Schedule

The weeks on the calendar that say "C" are the **corrugated cardboard collection weeks**. You only get large cardboard pick-up once a month on the **C** day that matches your **recycling** day. Please save all cardboard, if you can, (even the small pieces) for these special collections. On this one day a month we take unlimited quantities and sizes of corrugated cardboard; boxes don't have to be flattened or bundled, as long as they are clean and empty – no foam peanuts! Small pieces may be put in a brown paper bag, but **don't mix** cardboard with the newspapers / magazines / catalogs. When cut and looked at sideways, **corrugated** cardboard looks like this:  We'll also take paper bags full of other brown paper bags along with the large cardboard.

Large cardboard is picked up by a different truck than the bottles and cans are, so don't worry if one has been collected, but not the other.

Closed for Holidays

Check the calendar for these codes to see when the Transfer Station or Town Hall are closed.

Hb means a **holiday** on which **both** the Town Hall and the Transfer Station are closed.

Ho means a **holiday** on which the **Town Hall is closed**, but the **Transfer Station is open**.

Ht means a **holiday** on which the **Transfer Station is closed**, but the **Town Hall is open**.

Hn means a **holiday** on which the **Town Hall closes at noon**, but the **Transfer Station is open**.

Note transfer station and collections observe **Lincoln's Birthday** though Town Hall is open; Town Hall is closed the Friday after **Thanksgiving** although the Transfer Station is open!
